# Unit 5: God Gave Us Language Lesson 4: Review

| A.          | <b>Spelling Dictation:</b>          |               |                         |            |
|-------------|-------------------------------------|---------------|-------------------------|------------|
| 1.          |                                     | 6.            |                         |            |
| 2.          |                                     |               |                         |            |
| <b>3.</b> – |                                     |               |                         |            |
|             |                                     |               |                         |            |
|             |                                     |               |                         |            |
| В.          | Underline the nouns wi with yellow. | th red, the v | erbs with green and the | adjectives |
| 1.          | This car runs fast.                 | 4.            | Let's run to school.    |            |
| 2.          | A bird can fly.                     | 5.            | This is a big dog.      |            |
| 3.          | This is a pretty flower.            |               |                         |            |
| C.          | What comes after?                   | What come     | s before?               |            |
| 1.          | January comes before                |               |                         |            |
| 2.          | April comes after                   |               |                         |            |
| <b>3.</b>   | June comes before                   |               |                         |            |
| 4.          | November comes after                |               |                         |            |
| <b>5.</b>   | Saturday comes before               |               |                         |            |
| <b>6.</b>   | Wednesday comes after               |               |                         |            |
| 7.          | Monday comes before _               |               |                         |            |
| 8.          | Friday comes after                  |               |                         |            |
| D. N        | Match the opposites:                |               |                         |            |
|             | Good                                |               | thin                    |            |
|             | Big                                 |               | bad                     |            |
|             | Pretty                              |               | small                   |            |
|             | Fat                                 |               | ugly                    |            |

## **E.** Color the nouns according to the chart:

| Person = red | Place = green | thing = blue | Animal = pink | Idea = brown |
|--------------|---------------|--------------|---------------|--------------|
|              |               |              |               |              |
| book         | pretty        | car          | dog           | school       |
| hospital     | pencil        | bird         | pen           | student      |
| teacher      | frog          | restaurant   | cat .         | flower       |

#### F. Write words for each category:

| Person | Place | Thing | Animal | Idea |
|--------|-------|-------|--------|------|
|        |       |       |        |      |
|        |       |       |        |      |
|        |       |       |        |      |
|        |       |       |        |      |
|        |       |       |        |      |
|        |       |       |        |      |

## **G.** Draw according the instructions:

| A big dog | An ugly cat | A small car | A pretty flower | A thin pencil |
|-----------|-------------|-------------|-----------------|---------------|
|           |             |             |                 |               |
|           |             |             |                 |               |
|           |             |             |                 |               |
|           |             |             |                 |               |
|           |             |             |                 |               |
|           |             |             |                 |               |
|           |             |             |                 |               |
|           |             |             |                 |               |
|           |             |             |                 |               |
|           |             |             |                 |               |
|           |             |             |                 |               |
